

PALAU AT A GLANCE, 2001

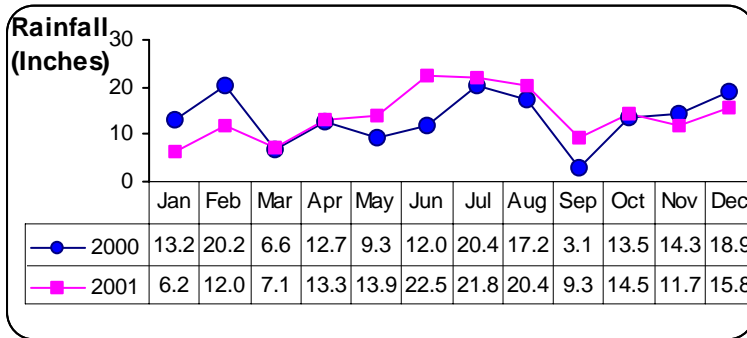

The overall picture of the economy of the Republic of Palau has been displayed in graphs in this pamphlet produced for the year 2001. It is hoped that this will be of assistance to those who are involved in the development planning process and to those who seek information on the economy of Palau.

The Division of Planning and Programming wishes to express its appreciation and thanks to all those who contributed towards the publication of the 2001 Statistical Yearbook.
